Turnkey Solar
EPC Projects
Installed

ALMM Enlisted

BIS Approved

IEC Certified

2.5 GW

Fully Operational
Solar Module
Manufacturing
Capacity by
October 2025

Vision

To meet the energy demands, provide affordable solar solutions and promote sustainability by harnessing solar energy.

Mission

Offering premium quality. Eco- friendly and sustainable power solution to delight our customers & empower our nation.

Parent Company

Bluebird Stabilizer

45 Years

of Brand Excellence

ISO 9001:2015

Certified Manufacturing Process

25,000 sq. ft.

Manufacturing Plant Area

1000 +

Channel Partners

- **Leader Since 1979:** Leading Stabilizer manufacturer, reputed brand & a household name since 4 decades.
- **Diverse Product Range:** Automatic Voltage Stabilizers, Servo Voltage Stabilizers, Constant Voltage Transformers and Isolation Transformers.
- **Hi-Tech Manufacturing :** Advanced manufacturing facility with cutting-edge technology is located in Wazirpur Industrial Area, New Delhi.
- **Rigorous QC Standards:** R&D Laboratory ensures compliance with IS 8448, IS 9815, IS 2026, and IS 302.
- **Extensive Network :** Has a powerful network of over 1000 channel partners, ensuring widespread reach & seamless distribution.
- **Customer-Centric Approach:** Focus on long-term relationships and consistent performance resulted in millions of satisfied customers.

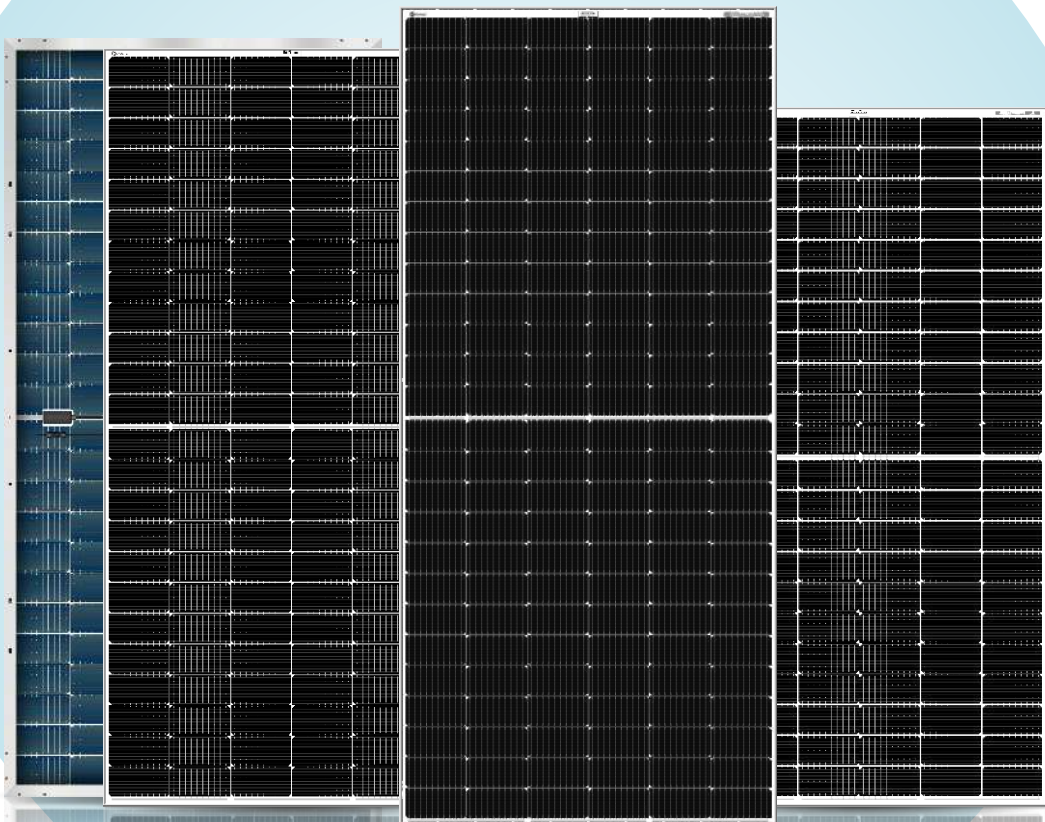

Prestigious Clientele

Product Portfolio

ALMM ENLISTED | **BIS** APPROVED | **IEC** CERTIFIED

30 YEARS WARRANTY
Linear Output Performance

Our Exponential Growth Journey

TRANSFORMING ENERGY LANDSCAPE

Since inception Bluebird Solar has grown into a leader in the renewable energy sector. Embracing innovation and sustainability, the company has expanded its operations, increased capacity, and formed key partnerships to meet the rising demand for clean energy.

Why Bluebird Solar is Ideal Choice For You ?

45 Years brand legacy
of Bluebird Stabilizer.

1.2 GW cutting edge manufacturing
for speedy & precise production.

Diversified product portfolio
to meet varied energy need.

10x growth year on
year since inception.

40+ in-house stringent QCs ensure
high performance PV Modules.

Associated with top EPCs,
Developers & Govt. organizations.

Competitive pricing, higher
ROI and better support.

100% track record of on-time
delivery & lead time benefits.

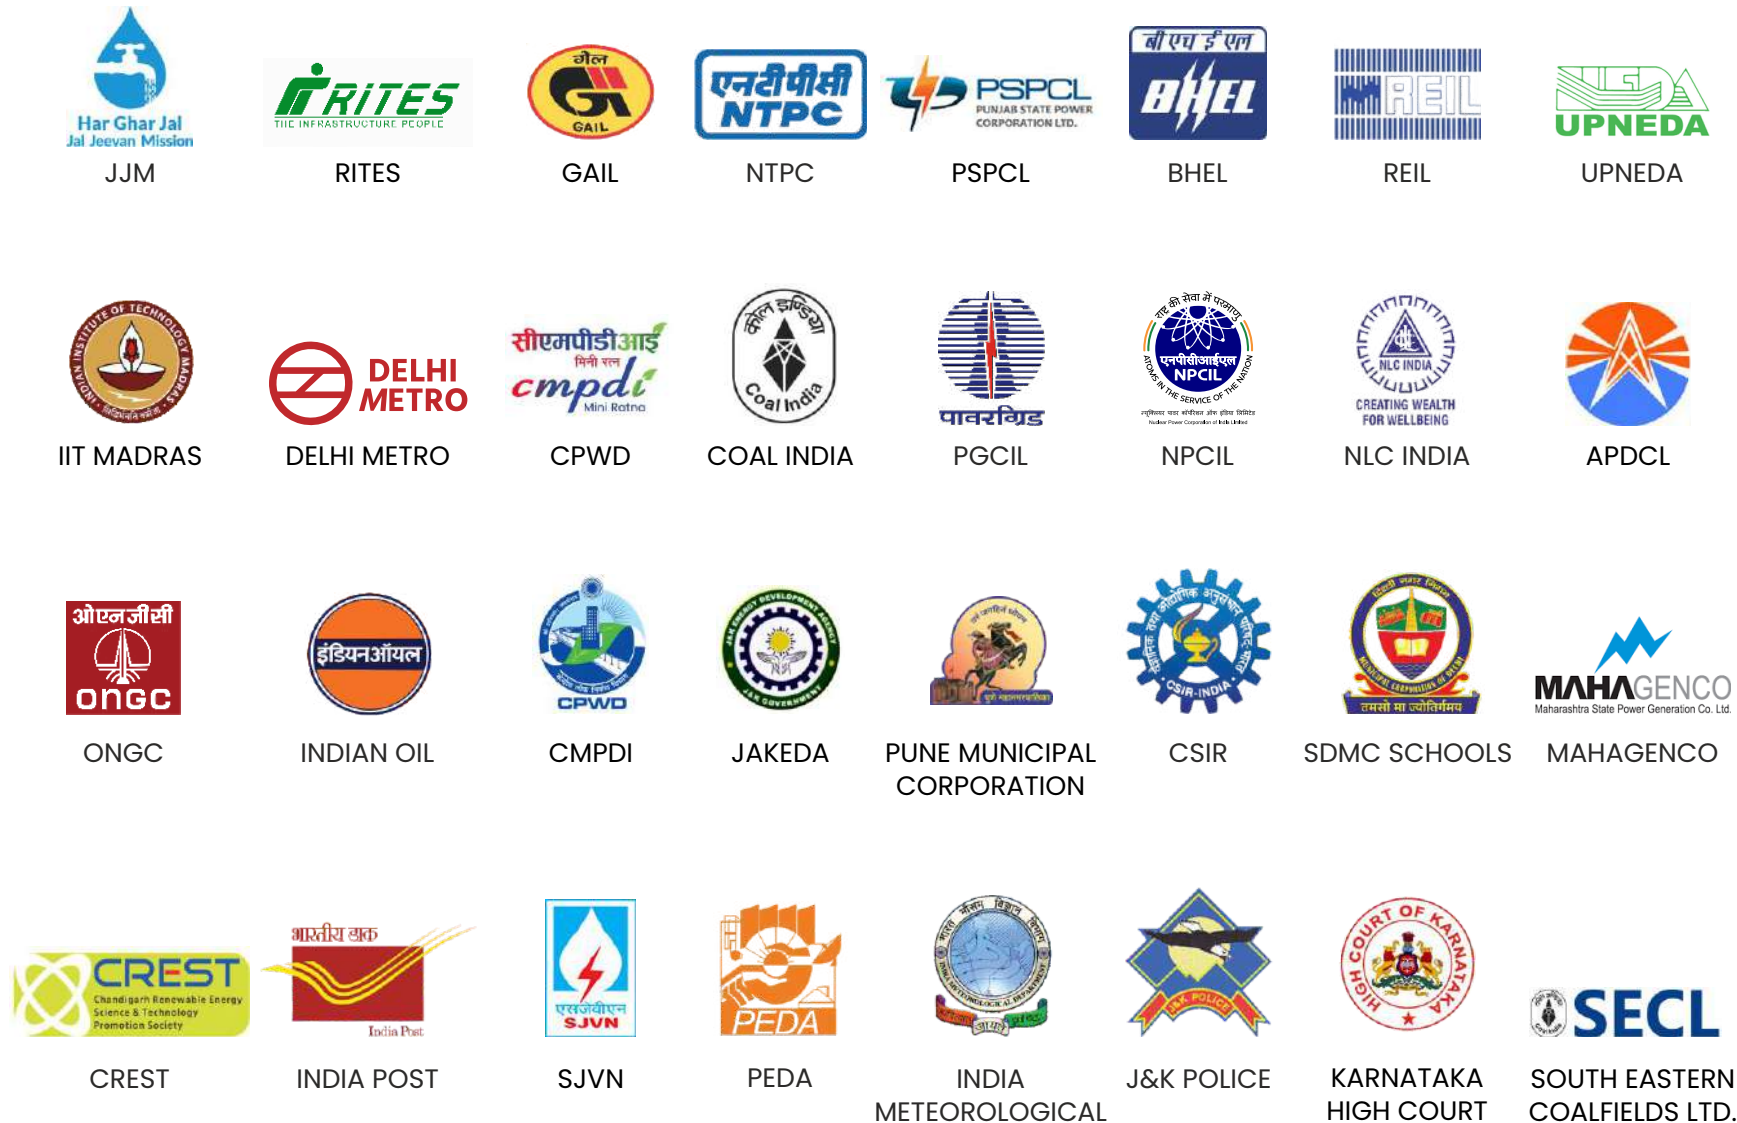

Entrusted by multiple Govt.
inspection and audit Agencies.
